- August 16th     September 13th
- October 18th    November 8th
- December 13th

No need to book. Just come along...
Our Cooking Program

The children of Our Lady’s School are fortunate to have access to a wonderful kitchen that is fully equipped with everything they need to learn to cook. We are currently running a Cooking Program that allows a group of children to prepare an afternoon tea menu for our local parishioners. The children learn to read a recipe, select ingredients and follow the method. We have wonderful support from our parents who guide the children in small groups. The program is run by one of our staff, Mrs. Toni Babata.

Food Glorious Food

The aim of this program is to provide the children with real opportunities to prepare food for others. The children learn about:

- sweet and savory menus
- new ingredients
- kitchen utensils
- cooking methods
- serving food professionally
