

## Individual Anaphylaxis Management Plan

This plan is to be completed by the principal or delegate based on the information provided by the student's medical practitioner as per the ASCIA Action Plan for Anaphylaxis provided by the parent/guardian/carer.

It is the responsibility of the parent/guardian/carer to:

- provide the school with a copy of the student's ASCIA Action Plan for Anaphylaxis containing
  the emergency response plan (signed by the medical practitioner) and any medication or
  autoinjector referenced in the plan.
- provide an up-to-date photo of the student (to be appended to this plan)
- inform the school if the child's medical condition, insofar as it relates to relates to allergy and the potential for anaphylactic reaction, and if relevant provide an updated ASCIA Action Plan.
