Dear Families,

Thank you for continuing to walk alongside us in faith, partnership and community. It has been so special to gather with many of you each Monday morning at our 'Community Connect' assembly, as we come together in prayer and share our weekly news. These moments of connection remind us that we are strongest when we stand united in faith and purpose for our children.

School Photos, Monday 16, February

As shared during *Community Connect*, school photos will take place this Monday 16, February. Students are required to wear their **full summer school uniform**. We appreciate your support in helping students present themselves with pride and care.

The Lenten Season

Next week we begin the sacred season of Lent as we prepare for the joy of Easter one of the most significant celebrations in our Liturgical calendar.

Some classes will acknowledge **Shrove Tuesday**, where students may share pancakes together. Traditionally, ingredients such as eggs, flour and milk are used before the beginning of the fasting season which starts on **Ash Wednesday**.

Our parish will celebrate Mass at 9:00am on Ash Wednesday 18 February. Students in Years 3 - 6 will attend the Mass with the parish community. Our junior students will gather as a cohort with their teachers for a reverent and age-appropriate celebration.

Lent is a time of reflection, prayer, sacrifice and renewal. We encourage families to find small ways to journey together during this meaningful season.

Ash Wednesday Prayer

Ash Wednesday is the first day of Lent. We should pray to start the season right. Jesus, as we are almost at the start of Lent we pray that we may walk with you in faith, hope and love through the weeks of Lent. Help us grow in faith during this holy season and to be people of prayer always. May we be aware of the needs of others so that we can reach out to them in your name.

Turn our hearts and our footsteps towards your kingdom of peace and justice. We pray this through your Holy Spirit of love who shows us the way.

Whole School Assemblies

A reminder that there has been a change to our whole school assembly process.

We gather as a whole school community each morning at the start of each week during Community Connect, with parents warmly invited to join us in prayer and to receive weekly updates. Year level dates have been provided for your convenience. Please refer to the timetable should you wish to attend afternoon assemblies.

Your presence strengthens our sense of belonging and shared mission.

Working With Children Checks & Child Safety

The safety and wellbeing of every child in our care remains our highest priority.

If you wish to volunteer at school, assist with excursions or attend certain activities on site, a valid Working with Children Check is required. Our administration team will kindly ask for these details before you enter the school grounds.

We are currently reviewing procedures for attending whole school events and are seeking further clarification from Melbourne Archdiocese Catholic Schools (MACS) to ensure we are meeting all compliance and safety expectations moving forward. We appreciate your patience as we ensure our practices remain thorough and child-focused.

nForma for Parents App replacing Operoo

A message was sent on Seesaw inviting families to download the free **nForma for Parents** app. Please look for this and download as ALL excursion or event notes that need parent permission will be sent via this app.

nForma For Parents

Previous families would remember that we had used Operoo as a way of informing parents of excursions or special events and gaining permission for class events. Operoo also allowed parents to create a profile for each child and maintain and update all medical details.

Operoo ceased operations in Australia at the end of 2025. Luckily we have been able to find a replacement with **nForma for Parents** an app that will have all that Operoo had to offer as well as access to all your child's reports.

Drop-Off and Pick-Up Procedures

We ask for your continued partnership in ensuring student safety at drop-off and pick-up times.

It is not safe for students to cross the road to meet parents who are double parked or waiting in running vehicles. Road works have certainly made access more challenging, and we sincerely thank you for your patience and understanding during this time.

We kindly ask that you:

- Allow sufficient time for drop-off and collection.
- Use designated parking areas.

Model safe road behaviours for our students.

Your cooperation allows our staff to focus on what matters most, keeping your children safe. Thank you in advance for supporting us in this shared responsibility.

Year 6 Leadership 2026

Please keep our Year 6 students in your prayers as they begin discerning whether they wish to nominate for leadership roles for 2026.

Leadership opportunities include:

- House Captains
- Faith Leaders
- School Captains
- DDT Leaders

All Year 6 students will also be encouraged to nominate themselves to assist with various whole school events throughout the year.

We remind our students that leadership in our community is grounded in service.

A Prayerful Reflection on Student Leadership

May our leaders walk with respect in every word and action,

May compassion guide the choices they make,

May they serve with humble hearts,

And lead in a way that lifts others toward kindness and hope.

Thank you for your continued trust, generosity and support. Together, we nurture not only strong learners, but faith-filled and compassionate young people.

With gratitude and blessings,

*Thanks to all the families that have joined us at our Monday morning
Community Connect*

Warm regards,

INTRODUCING CDFpay for our 2026 School Fees.

CDF is the Catholic Development Fund and the bank that Our Lady's has all its bank accounts with. Since 1956 the CDF's primary role is to support the work of Catholic organisations.

This year all families are asked to use our new online payment platform called CDFpay (this is replacing the school's previous Direct Debit options). This offers parents and guardians 24/7 secure, convenient online access to make or schedule a payment.

CDFpay offers:

- Viewing balances and setting up payment plans all in one place
- Flexible payment plan options including weekly, fortnightly or monthly schedules, or simply make a payment as you go
- Paying via **bank account ([no surcharge](#))** or **credit/debit card** and managing all your fees.

Regular payments are required, a minimum of one payment per term.

Term Payments (4 equal instalments) due by 20 February, 8 May, 31 July and 23 October 2026.

Total fees are to be finalised by 31 October 2026.

Payments can also be made in person at the School Office using cash or EFT.

Get started: What you need to do

Please follow these instructions to **register for a CDFpay account**:

1. Search '**CDFpay**' on the App Store (Apple) or Google Play store, download the app, then click '**Sign up now**'. Alternatively, scan the QR code or enter the following link in your web browser:
<https://user.cdfpay.flexischools.com.au/register>
2. Enter and confirm your email address, then click '**Sign up**'.
3. **Tip:** CDFpay automatically links your school fees when your CDFpay email matches the primary email address (**first parent listed on School Fee Statement**) on file at your school. If the emails don't match, you can **manually link** your school fees by selecting the 'School fees' tile on the home page and following the on-screen instructions. Check your email inbox and follow the prompts to complete your account registration (check junk/spam if lost).

Note: Only one parent or guardian per account code will be able to **link and manage school fees in CDFpay**. Both parents can download the app, but will need to login with the details of the **first parent listed on School Fee Statement**.

SCHOOL ZONES

Following the rules together and keeping our children safe

School Zones operate between 8:00am - 9:30am and 2:30pm - 4:00pm during school terms. A speed limit of 40km/h must be followed. Council Officers can issue fines when they are on patrol.

Working together to keep our children safe

DROP OFF & PICK UP ZONE

- This area is a drop off and pick up children only.
- Drivers need to stay in their car and not leave vehicles unattended.
- It is a 2 minute parking zone during pick up and drop off times.
- By everyone following the 2-minute time span, it allows a lot of parents to pick up their child and ease traffic congestion.

DRIVEWAYS & FOOTPATHS

- It is illegal to park on or across a driveway, footpath or any other vehicle access.

PEDESTRIANS FIRST!

- Please watch for children and adults crossing the road. Hold hands when crossing.
- Drive slowly on the roads around Our Lady's School.

PARK SAFELY. PLEASE DO NOT BLOCK THE ROAD OR DOUBLE PARK

- Park safely near the Church on Ryder Pl, or opposite the Pick up/Drop off zone or park near the surrounding streets and walk to the school.
- Please DO NOT stop in the middle of the street to let your child get in or out of the car.
- Stopping next to legally parked cars is not permitted.
- Dropping off or picking up passengers is not permitted.

When Should Kids Get a Smartphone? The Research, the Risks, & a Better Way Forward

By Dr Justin Coulson

As a new school year begins, many parents find themselves facing a familiar dilemma: **"Is it time to give my child a phone?"**

The pressure can feel enormous — socially, logically, and emotionally. Children insist that "everyone has one," other parents reassure us "it's what happens in Year (X)", and we wonder whether refusing is unreasonable or outdated.

But before making the jump; pause. While smartphones are part of modern childhood, **the age a child receives one matters — a lot.**

The Stats That Make You Shudder

A recent peer-reviewed study in *Pediatrics* followed more than 10,000 children aged 10–12. They found that:

Earlier acquisition of a smartphone is associated with significantly worse outcomes.

Children who received a smartphone during their 12th year had:

- **57% higher odds** of clinical-level mental health difficulties by age 13
- **62% higher odds** of insufficient sleep
- **40% higher odds** of obesity
- **31% higher odds** of depression

The tween and teen brain — particularly the prefrontal cortex responsible for impulse control, planning, and decision-making — isn't mature right now. The never-ending whirlwind of apps, games, notifications, and distraction (plus time on social platforms that isn't technically allowed anymore) can be overwhelming for a brain still under construction.

Research internationally suggests a similar theme: **Every year we delay smartphone access tends to reduce risk.**

Why Parents Usually Say Yes — And Where It Goes Wrong

Parents give me four reasons for handing over a smartphone to their child:

1. Safety ("What if they need help?")

Response: **Smartphones are not required for safety.** A basic 'dumb phone', watch-phone, or even a household landline solves the safety problem without handing over social media, messaging apps, games, or endless internet access.

2. Logistics ("I need to coordinate pickups and plans.")

Children survived without phones for generations. Clear communication ahead of time works better than constant messaging, and it builds resilience and independence. Set a pickup time and place. Teach children how to ask an adult for help. Make a simple backup plan ("If I'm late, you start walking..."). Or buy a dumb phone.

3. Social Connection ("They'll be left out without one.")

Group chats and digital friend circles *feel* social, but they often *increase* comparison and competition, exclusion, anxiety, cyberbullying, and sleep disruption. In-person friendships are better developmentally.

4. "They Need to Learn Eventually"

Giving a 12-year-old a smartphone to "learn to manage it" is like giving that same 12-year-old a bottle of vodka to "learn to drink responsibly." Children **aren't developmentally ready** for that level of access.

A Framework that Actually Works

The standard in our family is simple: **"When you can afford it and pay for it yourself — it's yours."**

That includes: ✓ the device ✓ the monthly plan ✓ repairs ✓ replacements if lost or broken

This framework works because it:

- Delays acquisition naturally
- Builds financial responsibility
- Shifts entitlement to initiative
- Reduces peer pressure
- Introduces natural consequences

Most children don't have \$800–\$1500 for a device plus monthly fees until somewhere between **15–17** — which aligns with many child psychologists' recommendations.

"But My Child Already Has a Smartphone..."

If the horse has already bolted — please don't panic. You haven't "ruined" anything.

Instead, create **clear, developmentally appropriate boundaries**. If possible, consider stepping back from smartphones to simpler options — plenty of families do this successfully.

The Real Question

Smartphones aren't evil, and technology isn't the enemy. But early access creates problems that are harder to undo than they are to prevent. Delaying smartphone access — even by one year — can make a meaningful difference to mental health, sleep, and learning.

Be reconciled before you offer your gift to God

6th Sunday in Ordinary Time, Year A

Gospel

Matthew 5:23-24

Go and make peace with your neighbour first, then come and offer your gift.

Jesus said to his disciples: If you are bringing your offering to the altar and there remember that your brother has something against you, leave your offering there before the altar, go and be reconciled with your brother first, and then come back and present your offering.

Jesus wants us to make peace with those who we have wronged

When someone does wrong things against me, I can make peace with them by....

When I do wrong things against someone, I can make peace with them by....

Find your way through the maze
